

The Huntsman

*“I’d rather be someone’s shot of whiskey
than everyone’s cup of tea*

THE HISTORY

In 1969 a small group of Ranch Santa Fe residents founded the Santa Fe Hunt and much of the open space in RSF and other areas was used for hunt country and it was later recognized by the Master of Foxhounds Association in 1987.

Riding to the hounds (the correct term for fox hunting) is as much a social event as it is enjoying being outside with friends alike.

The Inn at Rancho Santa Fe is rich in history and the Huntsman is our way of saluting an era of exemplary sport and riding.
